Subject: **RE-OPENING OF DOCKET NO. 03-AAER-01(RCW)**

Docket No. 03-AAER-01(RCW) was established to consider regulations on residential clothes washers. On February 25, 2004, I notified you that those regulations had been adopted and that therefore Docket No. 03-AAER-01(RCW) should be closed. However, the Office of Administrative Law (OAL) refused to approve the regulations, because of a procedural error. As a result, the Commission must re-open the docket, allow additional comments, and re-adopt the regulations. Therefore, **please re-open Docket No. 03-AAER-01(RCW)**.

03-AAER-01(RCW) is a sub-part of a larger proceeding on appliances in general, 03-AAER-01. **Docket No. 03-AAER-01 should also remain open.**

Thank you.
